

Agency Partner Manager, *GBS*.

I'm Jimi Visser, Growth Lead at WPP Production in Amsterdam. Six years on the agency side of the table this role works, inside a WPP holding company, and in the last four months a Netherlands operation grown from 2 to 20 people. I know where agency money gets stuck, because I've been the one unsticking it.

YEARS AGENCY & CLIENT SIDE

AGAINST THE BRIEF

What you asked for, *and where I've done it.*

YOU ASKED: ESTABLISH AND MANAGE CLIENT RELATIONSHIPS WITH BIG MEDIA AGENCIES, WITH HOLDING COMPANY EXPERIENCE

I am the holding company

Six years inside Ogilvy and WPP, now serving every WPP agency in the Netherlands. I know who plans, who signs, who blocks, and how a platform pitch actually moves through a holding company.

YOU ASKED: NAVIGATE, PRESENT TO AND INFLUENCE C LEVEL EXECUTIVES

C suite is a normal Tuesday

Report to a CEO in Copenhagen; built CJ CheilJedang's account from the Korean client down; held Ford, AkzoNobel and Heineken relationships at decision maker level.

YOU ASKED: RESPOND TO RFPS, DEVELOP CUSTOM IDEAS AND DELIVER UPSELL OPPORTUNITIES

Pitches are the day job

Built the new business pipeline at DPPLR, ran RFPS and scopes at Ogilvy, and grew accounts through upsell rather than volume. The Silver Lion on Loods 5 started life as an upsell.

YOU ASKED: TRANSLATE PLATFORM DATA, AUDIENCE INSIGHT AND CULTURAL TRENDS INTO COMPELLING BUSINESS CASES

Culture into commerce

Turned an ice rink into a shoppable showroom for 30% sales uplift; localised one JDE Peet's platform across 18 markets; founded a venture on what teenagers actually watch.

YOU ASKED: LEAD CROSS FUNCTIONAL TEAMS, PARTNERING WITH CLIENT SOLUTIONS MANAGERS

Built a 20 person cross functional team

Grew WPP Production NL from 2 to 20 in four months: producers, strategists and ops on one roadmap. Partnering with CSMs is the same shape as partnering with account and production.

YOU ASKED: UNDERSTANDING OF THE CREATOR ECONOMY AND SHORT FORM VIDEO BEST PRACTICE

Short form is my product

Founded Studio 1104, a vertical video venture for a teenage audience, and produced for 15 plus brands. I've briefed, shot and cut for the feed, not only bought it.

STRAIGHT TALK

Two gaps, said early. I have not carried a media sales quota; my numbers have been scopes, budgets and account growth on the agency side, not a book of biddable media. And my auction and programmatic knowledge is a buyer's, not an operator's. What I bring is the other half of every conversation this role has: I've been the agency person receiving the platform pitch, and I know which ones got signed and why. The domain is new. The room is not.

Let's have the *conversation*.
